

# PMP PDU Plan: LinkedIn Learning

## Overview

In order to maintain your certification, you need to earn professional development units (PDUs). PDUs can be earned through various professional development activities that center on one of two areas – Education and Giving Back to the Profession.

If you have your Project Management Professional (PMP) certification, then you will need to earn a total of 60 PDUs in the following areas:

- 35 Minimum Education PDUs
- 25 Maximum Giving Back PDUs

## PDU Plan

This PDU plan outlines how to earn the PDUs through **LinkedIn Learning**. LinkedIn Learning (formerly known as Lynda.com) has hundreds of PMI approved courses that make earning PDUs a breeze. Their courses are video-based and range from 30 minutes to 4 hours in length.

A standard LinkedIn Learning membership will cost you approximately \$299 USD per year (or \$34.99 per month) or you can pay for each individual course but it's well worth it for the wide range of courses it provides.

[Local library systems](#) often offer **FREE access** to LinkedIn Learning if you have a **valid library card**. Visit your local library's website to learn more.

This PDU plan shows you how to earn the following PDUs through LinkedIn Learning courses:

- 30 Technical PDUs
- 30 Leadership PDUs
- 30 Strategic and Business Management PDUs
